SUMMARY OF THE REASONS FOR DECISION:

This pack of playing cards consists of 54 cards contained inside a matching box. The cards and the box feature explicit photographs of sexual activity between adult males and females. The tone of the interactions is relaxed, however, there are elements of degrading sexual conduct. Close-focus and extreme close-focus depictions of sexual activity, comprising approximately a quarter of the card images and one of the two on the box, degrade and dehumanise the participants. Due in particular to the extent of the degrading and dehumanising manner of presentation, this pack of playing cards is classified as:
Objectionable.
